WORKSHOP OVERVIEW

- **Who:** Whole Community: Private sector, Public Sector (federal, state, local government agencies) Public Health, first responders, etc.
- **What:** Long Term Power Outage Continuity of Operations Workshop
- **Purpose:** This workshop will focus on the abilities of local, state, and federal agencies, as well as private sector organizations, to define and provide their mission-essential functions during a continuity of operations plan implementation during a prolonged power outage due to a weather event on the electric power grid.
- **Where:** **CFEB Training Room** | Denver Federal Center, Bldg. 25, Rm 1442 | Entrance E14

Objectives:

- Review, update and revise current continuity plans when faced with a prolonged power outage affecting the jurisdiction prior to the restoration of power.
- Contribute to the development of a “best practices” report to support all partner agencies in the advancement of long-term continuity planning.
- Facilitate active learning opportunities and peer-to-peer exchanges, highlighting beneficial redundancies and identifying potential gaps in long term continuity plans.
- Determine how information will be shared and gathered based on current plans.
